Road Bonding Instructions

Required forms to fill out:

- Appendix D- Authorization to Exceed a Posted Highway Weight Restriction
- Appendix C- Excess Maintenance Agreement
- 2 Inspection Forms- one for initial and one for final.
- Overweight permission form-Word document from Township office.

Road Bonding Fees:

- Inspection: Charge twice. One for initial inspection and one for final inspection.
 - ***\$40:** First mile
 - **\$25:** next .9 mile or less
- **\$15** Permit Fee
- **\$6,000:** per mile, Gravel Road
- **\$12,500:** per mile, Blacktop Road

Proper Procedure:

Monitor the damages so as to, not let the damages go beyond **75%** of the posted bond. i.e. If they have a \$6,000 bond they can haul until they get to \$4,500 in damage. At that point they can either fix the road and continue to haul or you can fix the road with their bond money. They can post more bond, or you can stop them from hauling altogether.
