## Petition for Pennsylvania Local Channel Access

This petition will be presented to our Commissioners and Congressmen in an attempt to obtain Pennsylvania local channels (ABC, CBS, NBC, and Fox) for Genesee Township and Potter County residents. The COVID-19 crisis amplified the importance of receiving news from our own state as most residents have Buffalo as the local provider, we were not able to access emergency information regarding Pennsylvania. We would like to be able to choose Williamsport or Johnstown for our local channels.
